Grossbauer to Speak at Fluids of Diesel Seminar

Minneapolis, MN – October 10, 2014 –Clean Fuel Solutions, a division of Donaldson Company, Inc. (NYSE: DCI), is pleased to announce Scott Grossbauer, Global Director, Clean Fuel Solutions at Donaldson, will be a featured speaker at the Fluids of Diesel Seminar on Tuesday, Nov. 4, at the Hyatt Regency at DFW Airport, Dallas, TX. Grossbauer will address diesel-related filtration challenges and solutions during his portion of the agenda.

Scott Grossbauer
Clean Fuel & Lubricant Solutions

The day-long event, co-sponsored by the Society of Tribologists and Lubrication Engineers (STLE), focuses on providing owners and operators of diesel powered equipment with information on diesel engines including fuel, oil, coolant and diesel exhaust fluid (DEF). The day is structured to cover advancements in engines, the performance and criteria of the fluids, an examination of the known and unknown problems with the fluids, fluid analysis and finally the solutions to the problems which plague the industry.
